## Millbury's Provisional Police Chief: Ronald Stokowski

MILLBURY - Serving as Acting Police Chief is nothing new to Ronald Stokowski, Millbury's newly appointed Provisional Police Chief who, since 1980, has logged 35 months in that post, filling in for the late Chief George Brady during his vacations and absences. "But serving as acting chief isn't quite the same," Stokowski said. "As acting chief, everything was already in place, and my responsibilities were primarily making sure that the department continued to run smoothly. Now that's changed and my responsibilities have been expanded to include all of the duties of the chief executive officer of the department - budgetary and organizational - until a permanent chief, whether that's me or someone else, is appointed by the town."

The decision to accept this interim position was not an easy one to make for this 17 year veteran of the force. Stokowski explained, "I had to do some serious soul searching before taking the position, not because I had any doubts that I could handle the responsibilities - I had done that before, once for a period of 13 months - but because the change from the beat to the desk is a big one, and I love doing police work. As chief, I have to give up much of that function."

Stokowski's police career began with his appointment to the Millbury Police Force on May 18, 1971. Prior to that time, he served in the Air Force for three years and worked for General Motors in Framingham and the former New England High Carbon in Millbury.

His years in the Air Force and a desire to continue his education prompted Stokowski to consider a career in law enforcement. "I had always had an interest in police work and felt that I could contribute to the town. There was stability in police work and the fact that we could continue our education while working was attractive to me," he said.

Stokowski enrolled in the Criminal Justice program at Quinsigamond Community College where in 1975, he received his Associate Degree with honors.

Stokowski said that he enjoys the challenges of his new position though he regrets the unfortunate circumstances under which he assumed his duties. "George Brady was a good chief, and it will take everyone some time to adjust to the fact that he'll no longer be with us."

Stokowski praised the help of area police chiefs for assisting him in this transition period. "In spite of all the experience that I've had, I don't know everything, and if I have a problem or need some advice, I call any one of a number of area chiefs that I've met over the years or go upstairs (to the town hall) and ask questions. I've been very fortunate to have so many people willing to help out."

Although Stokowski's appointment is temporary, he did say that he will apply for the position regardless of which method is used in the selection process. "I'm pleased that the selectmen chose me for the provisional appointment, and I plan on doing my best for the department and the town for however long I'm allowed to serve; whether it's a year or ten years."

## Computerized Ballots

Voters in Millbury and Sutton will be filling out computerized ballots for the first time in the September 15 State Primary as both towns implement the OPTECH III system which will use computers to tally the votes.

The ballot will ask voters to complete the arrows pointing to the candidate(s) of their choice. After filling out the ballot, voters will have the option of placing them in a "privacy folder" prior to proceeding to a computerized machine into which the ballot will be fed.

The new system is expected to greatly reduce the amount of time spent tallying votes by hand.

# MTA President Paul Clancy Comments on School Committee Appointment

By Edward J. Cooney

MILLBURY - Chairman Chet Hanratty called the August 31 School Committee meeting to order with members Jane Pojani, Alan Tuttle, Edward Wilczynski, and Bruce Pease present. Also in attendance was Superintendent Dr. Alfred Sylvia.

### COA Representative

Wilczynski volunteered his services as the School Committee representative to the Millbury Council on Aging.

### Windle Field

Committeewoman Pojani expressed concern with the appearance and condition of Windle Field. Present at the meeting was Millbury resident Terry Bernard, who also voiced concerns over the playing fields, the playground area, and the electrical and lighting services. He also suggested that the committee look at the area between the tennis courts and Canal Street. According to Bernard, the area is in need of renovation and an evaluation should be considered for the projected use of that site.

In speaking to the playing areas for softball, baseball, soccer and football, Bernard said that these areas are deteriorating because of all the use by various programs. "The upkeep of the areas has to be five times what it has been in relation to time and use. The field area is completely gone. From now on, there will have to be a game plan to keep it at its best; similar to the other parks. Maybe others might be invited to make suggestions."

Hanratty stated that the School Committee is taking a long range look and noted that $9 or $10 thousand has been added for seeding and loaming. "It will be a two or three year project; the committee is 100% behind improvements."

A discussion ensued on establishing an advisory committee to oversee the field. While Bernard explained that this had been tried in the past, with little success, Wilczynski suggested that the various leagues in town be contacted for volunteers to serve on the committee.

Bernard also expressed concern with security in the use of the field house and the service box for lighting. "Everybody seems to have a key," he said. He suggested that only one person have a key in order to provide better security and management of the facilities at the field.

Hanratty recommended that a cost analysis be developed to improve the electrical systems at the field. It was also recommended that the wiring inspector be asked to inspect the electrical system.

Pojani then expressed concern with the proposed supermarket that would border the field, and she suggested that a letter be drafted to the Planning Board asking that a row of trees be planted along the west side as a buffer. Wilczynski brought up the possibility of drainage problems from the proposed supermarket if water is not diverted to avoid draining in the Windle Field area.

### Yearbook Photos

At 8:05, High School Yearbook Advisor Eugene Genese met with the committee to discuss concerns expressed by Committeeman Alan Tuttle. According to Tuttle, a letter addressed to this year's seniors appeared to direct them to photographer Marvin Richmond, the school's yearbook photographer. Tuttle expressed dissatisfaction with the letter, indicating that it did not leave the impression that seniors may have their yearbook photos taken by a different photographer. He also stated that it gave an unfair advantage to Richmond.

Genese responded that seniors were told last May that they could have yearbook photos taken by their own photographer. He said that the letter was previously directed to 30 or 40% of the seniors who came back to school in September without having made appointments to have pictures taken.

Genese also maintained that, on two separate occasions, seniors were made aware and informed of the options, and he said the letter was intended for those students who were "procrastinators."

Genese agreed that the letter may have seemed very directed and "pushy," but he suggested that Richmond was providing a lot of other services at no extra charge. "We have to look after people who are providing for us. A yearbook is very costly," Genese said.

Tuttle replied that Richmond is not providing a free service. "They are getting a fair return.

Marvin Richmond may be listed, but other options should be included in the printed reminder."

Genese replied that he would "choose the wording more carefully in the reminder, in the future."

### Soccer Coach

A discussion ensued when Pojani asked Superintendent Sylvia and Athletic Director Richard Garabedian why it took so long to acquire a soccer coach. She expressed concern that with the soccer season starting in two weeks a soccer coach had not been selected. She also wanted to know why the job was never advertised or posted.

Garabedian replied that last June there was a possibility that the assistant soccer coach, Neil Lucey, might be available to assume the position. Garabedian said that he had a difficult time contacting Lucey over the summer and that when he did reach him, he learned that Lucey would not be available for the position.

Garabedian also maintained that the position was posted. Sylvia said that he was unsure if it had been posted and said that he had led Mrs. Pojani to believe it was not.

Garabedian then stated that advertising in the newspaper did not always bring good results in getting experienced or good quality applicants. "It is more practical and better to work within the network of area athletic directors and coaches." He noted that he had spoken to Bob Austin, the former soccer coach, who informed him that Greg Bernard would be available if another coach could not be found.

### Dropout Prevention Program

The meeting then turned to a discussion between Wilczynski and Paul Clancy, who heads up the Dropout Prevention Project at the High School. Wilczynski had placed an item on the agenda requesting a discussion of the management and supervision of finances of that program and another that comes under the Chapter 188 grant funding from the state.

Wilczynski expressed concern that monies were not used in their entirety in a project under the gifted and talented program as well. He said that $770 of the grant was returned to the state. Sylvia explained that most of that figure ($470) was for instructional salaries and was not expended because one of the instructors was absent 47 times due to pregnancy.

Wilczynski replied, "That's a good excuse. Why wasn't someone else used?"

Wilczynski then noted that $2,554 was not expended in a total grant of $17,272 in the Career Achievement Program.

Clancy, in response to Wilczynski's statements, began by relating some of the history of the development of the program, stating that he had originally written the grant proposal with an overestimated cost figure built in.

He also noted that, in the rewrite for the additional grant year, a counseling component was added. One of the drawbacks to developing enrollment for the program, according to Clancy, relates to problems with scheduling, declining enrollments, and dropped courses. He cited statistics that showed an original enrollment of 15 students that were referred to the program through the guidance department. That number dropped to 10 as a result of the previous problems cited.

Clancy then made reference to the counseling program that was presented by the Blackstone Valley Counseling Center which provided group counseling for students in the program. Clancy said that while the counselor assigned to the program was good, he was not geared to group counseling. There were after school and outside referrals made. He also emphasized that students were provided additional counseling services.

Clancy then referred to comments attributed to the State Department of Education which referred to Millbury's Program for Dropout Prevention as exemplary and a model for the State. The Millbury program was also called "cost effective" because it did not take on large salaries as was the tendency of other programs submitted. According to Clancy, Millbury has received full funding for its Chapter 188 Grant each year, which may not be the case with grants for other communities.

Wilczynski said that he considered the program to be an excellent one and commended Clancy for the excellent job he and the staff had performed over the past year. He noted that he was looking to improve and expand the program if funds are available.

### $300 Reimbursement

The board unanimously approved a $300 reimbursement to Carole Chiras for expenses incurred in representing the Town at the "Take Pride in America" awards in Washington.

### Fire Alarm

Sylvia reported that the fire alarm at the High School is in good working order and that Fire Chief Tom Nault is pleased with the system.

### Teacher Transfer

Sylvia presented the board with a legal opinion which favored his transfer of classroom

## Friendly Visitor Program

MILLBURY - In September, the Millbury Council on Aging will join with the Grafton COA under a Discretionary Grant from the Executive Office of Elder Affairs in Boston to begin a Friendly Visitor Program. The program is a commitment by a caring and concerned adult of any age, to visit with an elder citizen for one hour per week. The elder person may be homebound, geographically isolated, or lonely.

The major objectives of the program are: to provide opportunities for socialization and possible reentrance into some of the town's activities, the restoration of dignity and self-worth, and, to let our elder citizens know they are not forgotten in today's busy and complex society. Dedicated persons who volunteer for this program will be given initial training and monthly sharing sessions to discuss problems and age-related subjects.

If you believe that you would like to become active as a volunteer in the Friendly Visitor Program, or you are an elder citizen who may qualify for the program, call George Fougere, Coordinator of Volunteers, Grafton COA (839-9242), or Judith O'Connor, Millbury COA (865-9154).

## Can Drive to Benefit Eagle Scout Project

MILLBURY - A can drive will be held on Saturday, September 10, from 9-2 p.m. as part of the Eagle Scout Project of Keith LaCrosse, a member of Millbury Scout Troop 109.

Proceeds from the project will be used to support a handicap chair lift for the Millbury Federated Church.

Anyone wishing to donate their returnable cans and bottles can drop them off at the rear parking lot of the Millbury Federated Church, or call Ray Peare (865-3693) and arrangements will be made to pick them up.

## Johnson & Wales Graduate

Karen Marie Hjort, daughter of Mr. and Mrs. Wayne Hjort of 12 Sunset Drive, Millbury, graduated Cum Laude recently from Johnson and Wales College in Providence, Rhode Island. Ms. Hjort received an Associate in Science degree in Travel-Tourism Management. While at the college, she did her travel internship in England.

Karen will be entering the Hotel, Restaurant, Travel Administration Program at the University of Massachusetts, Amherst, this Fall.

## Houston to Address Communion Breakfast

MILLBURY - The Men's Club of Our Lady of the Assumption Parish will hold it's 2nd annual Communion Breakfast (continental style) on Sunday, September 11, following the 8 a.m. Mass.

Guest speaker will be State Senator John P. Houston (D-Worcester), who will speak on the future of Millbury and the Blackstone Valley.

The continental breakfast will consist of breakfast pastries and beverages (coffee, tea, milk, and juice.)

The donation is $1.00 per person.

## South Grafton Sunday School

SOUTH GRAFTON - The Sunday School of the Union Congregational Church of South Grafton will hold a Rally Day Program on Saturday, September 10, at 7 p.m. There will be games and movies for the younger children, and an exciting movie for the older children and adults.

This program will provide an opportunity for parents to meet the teachers and register their children for Sunday School. Sunday School will begin on September 11 at 9:45 a.m., with classes for young and old.

## Friends' Annual Meeting

MILLBURY - The annual meeting of the Friends of the Millbury Public Library will be held at 6:30 p.m. on Thursday, September 22. Dues for 1988-89 will be collected at this time.

The Friends' Anniversary Subcommittee will report on activities planned for the 125th anniversary of the Library. At the conclusion of the meeting, there will be a food demonstration - making pumpkin soup in a pumpkin shell. Everyone will be invited to partake of the soup, corn bread, and applesauce spice cake.

## Historical Society Planning Trip

MILLBURY - Millbury's most famous inventor, Tom Blanchard, invented the eccentric lathe and is accredited with twenty or more patents. In observance of the bicentennial of his birth, the Millbury Historical Society is planning a bus trip on Saturday, October 1, (October 8 rain date) to the Mt. Auburn Cemetery in Cambridge to visit his gravesite and those of other famous individuals. An early cemetery utilized during the 1700's will also be visited.

There is no charge for the trip. The only expense will be lunch at one of the restaurants at Harvard Square.

The bus will leave Millbury at 9:00 a.m. and return at approximately 3 p.m. Contact Betty Church at 865-6678 or Grace Laflash at 865-4563 if you would like to participate in the trip.

# A Bit of History....

by Grace Laflash

Because it is our town's 175th anniversary, I would like to share a bit of history with you.

- On January 3, 1871, it was voted, for the first time, that money received from the tax on dogs would be used for supporting the town library.

- On March 18, 1878, it was voted that the town would prohibit the encampment of Gypsies within its limits.

- The Board of Selectmen appointed "tramp officers" on May 5, 1880. It was their duty to protect citizens by arresting all tramps.

- Dexter and Walter Rogers, two Millbury boys, traveled across the continent on high wheel bicycles from Plymouth Rock to San Francisco. The year was 1890.

- On March 18, 1912, it was voted that the town raise and appropriate the sum of $1000 for the proper observance of the one hundredth anniversary of the incorporation of the town and that the historical committee have said sum for use, if needed.

## Wreath Demonstration

MILLBURY - On Tuesday, September 13 at 6:30 p.m., the Millbury Public Library, 128 Elm Street, will host a wreath demonstration by Karen Probst of the Worcester County Horticultural Society.

Ms. Probst will show samples of different types of wreaths and she will discuss the methods and materials of their construction. Holiday and living wreaths, dried flower and twig wreaths, and miniature wreaths are a few of the types that will be discussed.

To register for this demonstration, stop by the library or call 865-1181.

## Friends Annual Book and Bake Sale

MILLBURY - The Friends of the Millbury Public Library will sponsor their annual Book and Bake Sale at the library on September 10, from 10 a.m. to 1 p.m., rain or shine.

Records will also be on sale. (Donations of baked goods are welcome.)

## OHSA Selects Local Student

"Outstanding High School Students of America" has announced that Scott Pease, son of Bruce and Leane Pease of West Main Street, has been selected as a new member "because of outstanding merit and accomplishment as an American high school student." Scott is the grandson of Mr. and Mrs. Edward Gravel, also of Millbury.

## Camp Fire is for Everyone

Camp Fire, a non-profit co-ed youth agency, serves children from kindergarten through high school. Camp Fire believes that feeling good about yourself is an important step toward becoming a confident, self-reliant individual. The Camp Fire experience gives kids a chance to discover and develop their own special talents, resulting in a sense of pride and confidence in their abilities. Camp Fire also encourages members to develop and practice their own spiritual and ethical values and to respect the values of others. While the boys and girls are learning self-confidence, good citizenship and life skills, they're also having a lot of fun and making a lot of friends.

Camp Fire registration information will be distributed in the schools this fall. In addition to the regular club program, the following special programs are tentatively scheduled for the coming months: for the 4th, 5th and 6th grade Adventurers, a day in outdoor progression at Purgatory Chasm in Sutton on Saturday, October 29; for 1st, 2nd, and 3rd grade Blue Birds, a day to work on awards on Saturday, December 3rd; for the kindergarten Sparks, a father/child bake-off on Saturday, March 11. A special event this year, open to all grade levels, will be programming at Old Sturbridge Village on three Saturdays: March 4, April 22, and a two-day event on June 16 and 17.

These are just a few of the programs planned to help your child have a well-rounded Camp Fire experience this year. All programs are dependent on enrollment and participation from adults leaders.

For further information, call the Central Mass. Camp Fire Council at 753-5398 or your local Camp Fire representative: Millbury - Ellen Cote (752-2786) and Vickie White (865-9276; Sutton - Kathy Person (865-2612) and Elaine Husted (234-3366).

## Books and More...!

By Joanne N. Donnelly

Now that the "Summer of Our Discontent" seems to be ending, thoughts are creeping toward Fall and school and back-to-school clothes. One gentle reminder to bring back your books; and, if you were summer residents, have a good and safe trip home.

If vacation is ending, and you're looking back with some embarrassment because you didn't accomplish anything (Who did?), then run in and pick up a book entitled ***TRUST ME***. At least you'll be able to say you read an Updike over the summer. ***TRUST ME*** consists of a collection of his short stories and may be the only way some of us can take Updike - short, and not so sweet.

Story Hour and the Summer Reading Program are now over. Our thanks to the Central Massachusetts Regional Library System for their help, books and ideas for our "Super Sleuths." A special note of thanks to Beth Lucek, our storyteller for the Summer, and to Jack, Nathaniel and Benjamin, who loaned her to us for awhile. October will see the beginning of another Story-Hour program, and we'll be telling you the particulars around the time Fall officially starts.

We are ready for the new school year with a whole new set of World Book Encyclopedias. Hopefully, the school will be. We are also beefing up our collection of required reading, and have received lists from several of the private schools in Worcester. I believe the correct term now is "Suggested Reading."

In a week or two, I'll be making out a list of books that you can clip from the paper and carry with you until you reach your favorite local library. No excuses for forgetting the name of that new Clancy, Sanders or Dunne. In the meantime, we have such diverse titles as the following: John Madden's, ***ONE SIZE DOESN'T FIT ALL; RAGMAN'S SON***, by Kirk Douglas; ***BITTER BLOOD*** and ***THE MORMON MURDERS***; ***MISCHIEF IN MAGGODY***, ***UPON A MOON-DARK MOOR***; or ***LIBRA***, by Delillo.

We have just received Isaac Asimov's ***LIBRARY OF THE UNIVERSE*** for children. There are ten volumes of everything those little people ever wanted to know about the universe, and even some they didn't want to know about. We have comets and rockets and satellites in space; quasars and pulsars an asteroids that race. This coming season is the best time to get out there and star-gaze. Come in and get ***THE GLOW IN THE DARK NIGHT SKY***, a book which helps you recognize the constellations and stars. Many of us will now be able to recognize more than the Big and Little Dippers.

New England Telephone has sent us phone books for the following areas: Providence, R.I.; Portsmouth, NH; Springfield, MA; Oxford-Webster, MA; Milford, MA; and Cape Cod. We'll be glad to give you published telephone numbers of someone outside your area. We have only the Yellow Pages for Boston as our space is limited and the number of phone books for Boston environs is not; or doesn't seem to be.

Patrons have been more than generous with their gifts of books this year, and even though we hate to do it, we ask that you hold up on your donations as we are going to inventory our collection and get ready for a Book Sale that will coincide with the Blackstone Valley Heritage Days. The Book Sale will take place on Saturday, October 1, and we will be displaying the work of some of our local craftspeople, along with our books that pertain to those particular crafts.

Mark the calendar right now - Waters Farm Day will be held on October 2, and some of the aforementioned craftsmen will be displaying there as well. If you've missed this event before, don't miss it this year. It's a good family day, and there will be an Engine Show, also.

September is the start of a lot of new programs at the Children's Museum in Boston, in celebration of their 75th anniversary. They are now charging a $1.00 admission fee on Friday nights. Not quite as good as "free," but close enough. The Worcester Art Museum has sent us a calendar of their activities and shows going on from September through November, and we have that undisputed champion of events, ***WHAT'S HAPPENING NEW ENGLAND*** for this month.

Many things to do and see this favorite time of year. So try not to forget - come see us soon.

## TRANSFER from Page 4

teacher Linda Simulavich to a guidance counselor position without posting the position or receiving approval from the School Committee.

Pojani had suggested at a previous meeting that the position should have been posted.

Attorney Broadhurst, legal counsel for the Mass. Association of School Committees, stated in his opinion that the Superintendent had the authority on his own to make the transfer. Pojani noted that the letter to Broadhurst made no reference to a transfer from a teaching position to a counseling position, which is a different function.

The letter in question was written by Chairman Hanratty. Pojani maintained that the letter should have been reviewed by all committee members before being sent.

### Solar Room

The Solar Room to be used as a cafeteria for the high school teachers will be delivered on September 8th for installation.

### Summer School

Sylvia reported that 144 students were enrolled in the summer school program at the High School; tuition collected totalled $8,700.

### Transportation

Business Manager Suzanne Pierce reported that Mr. Lola could not be present to address the issue of after school transportation. She noted that Lola indicated that he had major concerns with providing transportation for after school runs. It was suggested that mini buses might be used.

Wilczynski suggested that Sylvia and Pierce negotiate with Lola to resolve the problems.

### Appointments and Resignations

Hanratty then asked Sylvia to speak to Item #9 on the agenda, which concerned resignations and leaves. Sylvia instead moved to Item #10 and suggested that the committee vote on the appointment of a soccer coach. He submitted the name of Greg Bernard, which was approved on a 5-0 vote.

Sylvia then offered four names for Special Needs Aides positions which were approved on a 5-0 vote.

Sylvia then returned to Item #9 on the agenda and presented a letter of resignation from Linda Magnuson, high school business teacher. The board unanimously accepted the resignation.

Sylvia then switched back to Item #10 and asked for the appointment of Joan Lufkin to fill the position of business teacher at the high School; approved on a 5-0 vote.

Continuing with Item #10, Sylvia recommended the appointment of Mrs. Stead to a Grade 2 teaching position which was created to reduce the class size. Mrs. Stead would be paid as a permanent substitute.

Linda Tift's name was also submitted as a permanent sub for K-3 at Elmwood.

Pojani questioned appointing a permanent substitute to a newly created Grade 2 teaching position, and suggested the committee refer to Paul Clancy, MTA President, for an advisory opinion.

Sylvia and Hanratty both stated that this had been done in the past. Committeeman Bruce Pease said that there was no indication that this was to be an ongoing position.

The positions were approved on a 5-0 vote.

[In a follow-up phone interview, Clancy stated that the action taken was creating a new position which required posting the position and awarding a full one year contract for that post. Clancy also cited a similar situation that occurred in 1987 when class size in one or two grades at the elementary school was reduced by adding two teachers which the committee suggested be filled by permanent subs. In that instance, filling the positions with permanent subs was not allowed under the contract.

Clancy also noted that if the size of the present Grade 2 is large enough to require another teacher to reduce the class size, it would seem logical that next year an additional teacher would be required in Grade 3 to reduce the increased size of that class as well.]

Following the appointments, Sylvia again returned to Item #9 on the agenda and read a letter of resignation from Gail Dufault, a permanent sub in the kindergarten at the Elmwood Street School. Her resignation was accepted on a 5-0 vote.

### Pay Raise

Mrs. Paula Bunnevith presented a request for an increase in her hourly rate from $4.85 to $6.00 an hour as an aide at the nursery school program at the High School. She noted that she was the only aide doing bookkeeping along with her other duties.

Sylvia agreed that she was performing duties over and above those of the other aides and supported the request. The committee approved unanimously.

# Rep. Moore Endorses Holloway in Clerk's Race

UXBRIDGE - Representative Richard T. Moore (D-Uxbridge) has announced his endorsement of County Commissioner Francis Holloway for the Democratic nomination for Clerk of Courts for Worcester County.

In his endorsement, the veteran Uxbridge lawmaker said, "Fran Holloway's proven administrative record as an outstanding County Commissioner for eight years, and as a successful businessman skilled in finances, combined with unquestioned integrity and compassion for people, especially victims of crime, makes him my choice for the key administrative post of Clerk of Courts."

Moore dismissed the idea that the Clerk's post should be held by a lawyer, saying, "The lawyers may want one of their own as Clerk, but who will stand up for the people - the immediate victims, the public who are always indirectly victims of crime, and the taxpayers who must pay for a slow, unwieldy court system." Moore continued, "We need a Clerk who is a strong administrator and who can help make the court less confusing and less imposing to the countless citizens who must do business with the court system, often for the first time in their lives."

In announcing his endorsement of Holloway, Moore stressed his respect for all four candidates for the Clerk's post: "I've listened carefully to each candidate, I've questioned them about their experience and their goals for the office; they're all fine individuals and we can be proud of them." "However," he added, "I believe the Clerk's office needs new, vigorous leadership, a fresh approach to administration as opposed to business as usual, confined to the legal fraternity in a system where delays and case backlogs are costly, particularly for the victims.

"We need a Clerk who puts the people, not a special interest group first, and Fran Holloway has the business, administrative and personal qualities to be that Clerk. I recommend his candidacy to my friends throughout Worcester County," Moore concluded.

# Aroun' The Town & Golden Agers Update

*By Lillian C. Sheehan*

**CENTERVIEW APARTMENTS:** on September 13th, Helme has a trip planned for lunch at the Iron Kettle in Monson and shopping afterward at East Field Mall.

Bingo parties will resume each Wednesday evening, and friends from Linden and Colonial are always welcome. Prizes and refreshments during intermission, as usual.

Happy Birthday to Isabelle Green, Gladys Bailey, and Gerry Rutherford! Gladys is still making her daily visits to Mamie in the Providence House. Get Well Wishes to Mamie, too!

**COLONIAL APARTMENTS:** at Colonial, Natalie Osborn, Joe Wilkinson, Nancy Parker, and Bill Cahill are all celebrating September birthdays. Best Wishes to all!

A speedy recovery is wished Bernadette Fisher, a patient at St. Vincent's Hospital.

**LINDEN APARTMENTS:** Happy Birthday to Mary Hartman of Linden Apartments and to Edith Army, also a resident there, and coordinator of all their trips, parties, etc. In fact, they recently enjoyed lunches at Wright's Farm and the Christmas Tree Inn!

**ST. BRIGID'S WOMEN'S CLUB:** the fall schedule will open with the Craft and Apple Fair on Saturday, October 8, from 10 a.m. to 2 p.m. This will be the club's major fund raiser for the 1988-89 year. In order for this project to succeed, the cooperation and support of the entire club is needed!

Apples and baked goods will be sold at the Apple Fest. Each member is asked to bake apple pies if able, or any other favorite recipe. Old or new "treasures" for the Yard Sale will also be appreciated as well as crafts or grocery items.

A "Kitchen Bar" will be set up with food to purchase while browsing.

Any member able to assist in any way is asked to call Madeline at 865-8476 or Kathy at 865-6010. It is important to return tickets for apples so the committee will know how many to order!

**WIT AND WISDOM**

*- A real test of will power is to have the same ailment some person is describing to you - and not mention it.*
*- When a Secretary is a peach, the Boss' wife usually cans her.*
*- Hospitality is the art of making people want to stay without interfering with their departure.*
*- Save for a rainy day and a new tax comes along and soaks you.*
*- The glory is not in never falling, but in rising every time you fall.*
*- A gentlemen is a man who can disagree without being disagreeable.*
*- A man's hair and teeth are just about his best friends, but even the best of friends fall out.*

## VOTE VOTE VOTE

*He talked of right and talked of wrong*
*Of duty talked he loud and long;*
*He criticized all known neglect*
*He asked, "What can we all expect?"*
*But failed to go and vote!*

*He talked of laws both good and bad,*
*What he would do if he but had*
*The rule of things, and show the way*
*To bring about a better day--*
*But Did Not Go and Vote!*

*She talked of trouble in the land,*
*Of those who ruled, and took her stand*
*Against the wrong and for the right.*
*Saw coming storm and darkening night.*
*But--careless--did not vote!*

*She stayed home, and talked of laws,*
*Or she went shopping, calling, too,*
*And told what leaders all should do--*
*But Did Not Go and Vote!*

## What's the Difference?

By Pat O'Leary & Larry Ham

HOW TO PLAY: The answers to the two clues rhyme and the beginning consonant sounds are switched. For example: What's the difference between a neckwear fastener and a metal pan for baked desserts? One is a TIE PIN and the other is a PIE TIN. Sound counts, not spelling.

1. An angry imposter and a trend creator?
   A _____ and a _____
2. A rodent with a litter and a flying rodent with hydrophobia?
   A _____ with _____ and a _____ with _____
3. A canine in a bee's house and a pig in a disreputable nightclub?
   A _____ in a _____ and a _____ in a _____
4. A former physician and a shifty schoolmaster?
   A _____ and a _____

6-14

ANSWERS: 1. A mad baker and a bad maker. 2. A rat with babies and a bat with rabies. 3. A dog in a hive and a hog in a dive. 4. A previous doctor and a devious proctor.

SUTTON - For the second year in a row, inclement weather greeted hundreds of people who turned out for the Annual Labor Day Breakfast at Purgatory Chasm, sponsored by the First Congregational Church of Sutton.

With threatening skies overhead, organizers moved the breakfast to the church hall. As is usual at this annual event, long lines of adults and children waited patiently to enjoy a hearty breakfast of ham, eggs, and pancakes, all prepared by a hard-working group of volunteers.

**...with HELP Loans from MCU!**

With the high cost of college, a HELP Loan from the Millbury Credit Union can *really* help with your educational expenses.

If you're a student making satisfactory progress at an approved educational institution, or have just been accepted to an approved educational institution...and you meet certain family income standards...you may be eligible for a HELP Loan from MCU.

You should apply for HELP after you've completed your school's financial aid form...which will assist in determining your eligibility.

Also, MCU offers PLUS Loans to parents of undergraduate students, regardless of family income.

For HELP with *your* educational expenses, see Doreen Thornburg...at the Millbury Credit Union.
